MR BODEGA HIMSELF!

Louie "Mr Bodega" Leland has owned Mr Bodega since his early 20s. Family comes first, even if it means running from the IRS. So when Mandy went to stay with the kids on the other end of the country because Louie ~~couldn't~~ refused to pay the bills, of course he brought the shop with him!

He'll bounce from city to city, state to state selling his produce and soon never looked back at his corner in NYC.

Family man, cat-lover and ~~tax-payer~~, Louie Leland may-or-may-not appear on the horizon of a street near you.

P.S. (He makes fresh sandwiches himself the day he opens shop!)

THE CATS

Cats seem to choose Mr Bodega; Bingo is the oldest, the family cat. The rest were found along the road, either welcoming themselves into the store and never leaving, or being picked up by the man himself.

Over the years, the cats have learned to hang around the shop, enjoying the travel and attention they can from customers and passers-by.
